

# IOSH Managing Safely

## IOSH Managing Safely

IOSH Managing Safely is designed for managers and supervisors across all industries and organisations. It provides the knowledge and understanding to manage the health and safety issues within their responsibilities and reinforces why good health and safety is essential to performing their roles successfully.

## Entry Requirements

There are no barriers to entry to the IOSH Managing Safely. Assessments are currently undertaken in English and a good standard of written English is essential.

## IOSH Managing Safely - Content

IOSH Managing Safely covers the following topics:

- Introducing managing safely
- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying accidents and incidents
- Measuring performance
- Protecting our environment

## IOSH Managing Safely - Examination

Assessed by a multiple choice exam and a short practical assessment completed at the end of the course. If you are studying by distance/e-learning, your exam is online and the practical assessment completed at your workplace.
