

NEBOSH International General Certificate in Occupational Safety and Health

NEBOSH International General Certificate

The NEBOSH International Certificate is an excellent foundation in occupational safety and health for all types of organisations. It helps holders manage risk more effectively by covering a broad range of topics and is ideal for

- Managers, supervisors, employee representatives.
- Those looking to start a career in health and safety.

The NEBOSH International Certificate is widely respected by employers worldwide; it meets the requirements for Technician Membership of IOSH and Associate Membership of IIRSM.

Entry Requirements

There are no formal entry requirements for the NEBOSH International General Certificate course but it is strongly advised that candidates have some knowledge of basic health and safety. Assessments are currently undertaken in English, Arabic and French and a good standard of the relevant written language is essential.
