

## NEBOSH International Diploma in Occupational Health & Safety

The **NEBOSH International Diploma (IDip)** is the leading qualification for international health and safety practitioners. The NEBOSH Diploma builds on the knowledge gained at Certificate level; it is designed for those seeking a successful long-term career as a health and safety professional. The benefits of holding the NEBOSH International Diploma include:

- Allows you to use the letters 'IDipNEBOSH' after your name
- Entitlement to graduate membership of IOSH (**GradIOSH**), the first step to becoming a Chartered Health and Safety Practitioner
- Entitlement to full membership (**MIIRSM**) of the International Institute of Risk and Safety Management (**IIRSM**)
- Meets the entry requirements for many safety related Masters programmes offered by UK Universities

## Course Content

The NEBOSH International Diploma is made up of four units which need to be completed within 5 years:

### Unit IA Managing Health and Safety

- Principles of Health and Safety Management
- Regulating Health and Safety
- Loss Causation and Incident Investigation
- Measuring and Reviewing Health and Safety Performance
- The Assessment and Evaluation of Risk
- Risk Control
- Organisational Factors
- Human Factors
- The Role of the Health and Safety Practitioner

### Unit IB Hazardous Substances / Agents

- Managing Occupational Health
- Identification, Assessment and Evaluation of Hazardous substances
- The Control of Hazardous Substances
- The Monitoring and Measuring of Hazardous Substances
- Biological agents
