

IOSH Managing Safely®

IOSH Managing Safely® provides essential knowledge and understanding of how to manage health and safety. **IOSH Managing Safely** is designed for managers and supervisors across all industries and organisations, and will ensure they understand their health & safety responsibilities. It reinforces why good health & safety is essential to performing their roles successfully.

Course Content

IOSH Managing Safely covers the following topics:

- Introducing Managing Safely
- Assessing Risk
- Controlling Risks
- Understanding Responsibilities
- Understanding Hazards
- Investigating Incidents
- Measuring Performance

Assessment

IOSH Managing Safely is assessed by a 30 question mixed format exam and a short practical assessment (a workplace risk assessment) completed at the end of the course.

If you are studying via e-Learning, your exam is online and the practical assessment completed at your workplace.
