

NEBOSH Working with Wellbeing

The **NEBOSH Working With Wellbeing** course is an introductory level qualification that looks at workplace wellbeing at both an individual and organisational level. It is designed for those who wish to gain a greater understanding of workplace wellbeing and the factors which affect it and it is relevant to any business, in any sector.

It is aimed at people working in:

- Human Resources
- Health and Safety
- Occupational Health
- Anybody with People Management Responsibilities

Course Content

The **NEBOSH Working With Wellbeing Qualification** consists of one unit which must be successfully completed within six months to achieve the qualification. The course covers:

- Foundations of Wellbeing - what it means and why it matters
- The Branches of Wellbeing; benefits and what this means in practice - interaction, exercise, mindfulness, nutrition, kindness, learning
- Interventions in the Workplace - planning & measuring their effectiveness

Assessment

The course is assessed through the development of an effective intervention plan to improve wellbeing in the workplace which will take around one-hour to complete.
