

NEBOSH International General Certificate

The **NEBOSH International General Certificate in Occupational Safety and Health** is an excellent foundation in occupational safety and health for all types of organisations. It helps holders manage risk more effectively by covering a broad range of topics and is ideal for:

- Managers, supervisors, employee representatives
- Those looking to start a career in health & safety

The NEBOSH International Certificate is widely respected by employers worldwide and meets the requirements for Technician Membership of IOSH (**Tech IOSH**) and Associate Membership of IIRSM (**AIIRSM**).

Course Content

The **NEBOSH International General Certificate** is made up of two units:

Unit IG1: Management of Health & Safety

- Why we should manage workplace health and safety
- How health and safety management systems work and what they look like
- Managing risk - understanding people and processes
- Health and safety monitoring and measuring

Unit IG2: Risk Assessment

- Physical and psychological health
- Musculoskeletal health
- Chemical and biological agents
- General workplace issues
- Work equipment
- Fire
- Electricity

Assessment

Unit IG1 of the **NEBOSH International Certificate** is assessed by a two hour written examination. Unit IG2 is assessed by a practical assessment carried out in your workplace.
